St. Andrew’s College will be hosting its first ever NoGalaGala online fundraiser on September 29th :

Emailed invitation from Dea. Dr. Richard Manley Tannis:

I invite you to join me and Tannis Schmidt, St. Andrew’s Musician-in-Residence, on September 29th in a conversation with Tannis’ original music. During this musical conversation and premiere, we will discuss leadership, hope, and sharing the Good News in a world seeking light. Whether you choose to watch on your own or organise an evening with family, friends and/or faith communities, it would be an honour to have you join us. The outtakes alone are worth watching!
