

**Beatitudes study will be up on Wed. the 19th.**

**We are ordering t shirts as a fundraiser and to have a more visible presence in the community. They are yellow and available in sizes from S - 6XL. They will cost \$15 and need to be pre-ordered so let us know soon.**

**The board has made the decision to remain vigilant in our care for our church family and have therefore decided to remain closed for Sunday worship for the time being. We will re-evaluate the situation at our next board meeting in October but for now services will continue to be offered online.**

**Our website is currently being redesigned. If anyone has any photos from past gatherings/events at Westminster United Church, please notify the office and we can upload them onto the website😊**
