The Hat Grannies for Africa will be hosting a Pop Up Quilting Fabric Sale on Saturday, October 17th, 2020 from 10:00am to 2:00pm. The sale will be held indoors at 617-2nd Street SE (between the Monarch and the railway tracks). There is a \$1.00 admission. Cash sales only. All Alberta Health protocols (and then some) will be followed. **Masks must be worn.**

The sale will offer ONLY quilting cottons, cotton blends and a variety of quilting notions. This sale offers exceptional buys. We have an excellent selection of high-quality quilting cotton that will sell for \$5.00/meter compared with \$20 and up in a retail shop. The cotton blend fabric is priced at \$2.00/meter.

This is a great way to stock up on your "stash" of quilting fabric and supplies for the coming winter. We hope to see you there!
