Message from Grace Roth:

The Westminster UCW had a Co-op membership number that was used when the UCW made purchases from any Co-op in Medicine Hat. Dividends were paid on the purchases in February of the following year. The number was transferred to Westminster United Church. If you make purchases at the grocery stores, gas stations, service centre, and even the liquor store for Christmas baking, and are asked if you have a Co-op number, if you don't you can use our number. The use of our number would produce some dividends for us as a fund raiser. It's a simple way to raise funds without dipping into your budget.

The Co-op number is **16609-0**.

Thank- you

Grace Roth
