### **Little Owl Renovations**

Just to let the congregation know that Little Owl has begun renovations downstairs today June 28<sup>th</sup>. There will be demolition happening today and this coming week including jack hammering. There will be construction equipment and a dumpster located on the street on the west side of the church today and possibly on the weekend, but the handicapped parking will not be blocked. In addition over the month of July there will be plumbing upgrades and removal of some walls and installation of other walls, so there will continue to be construction equipment and dumpsters around the property. The renovations will be continuing over the month of July, however Little Owl will only be closed to July 8<sup>th</sup>

As the church is closed over July this construction activity should not create any issues.

If anyone has questions, please call me at 403-529-0459.

Wishing everyone a wonderful summer!

Thanks!

Pat Evans
